Robert: yo

me: sup

Robert: so you stirred up a hornet's nest!

me: gradually, yes

me: several different firms

me: mostly this Endgame Systems company

me: well, mostly HBGary

Robert: yeah, and also the feds!

me: that's why they came

Robert: well, the feds do represent people like HBGary

Robert: more than people like you

Robert: so, it makes sense

me: that's the problem

Robert: yup

me: and the firms also don't like attention

me: so the goal is to give them lots of attention

Robert: sunshine is the best disinfectant
